Zoning/Ordinance report
June 8, 2023

I have written 4 Land use permits in the last month. Receiving calls on a regular basis.

I still have not had a response from the township attorney regarding the Middleton estate. I am completely frustrated and do not know i I need to do

The property on Webster rd is mostly cleaned up. It looks so much better.

I have sent out 2 letters for properties to be cleaned up. I have at least 2 more to go.

There are 2 others that have started the clean-up.

Another property that is for sale.that I believe needs to apply for a variance. I am checking into it further..
